To: Torrey Hills Technologies

Dear Mr. Daniel García:

Through this letter, I would like to say that we are very grateful with the customer service that we have received from you and Torrey Hills Technologies.

Regarding the equipment that we purchased from you, I highly recommend the Three Roll Mill from Torrey Hills Technologies, due to easy operation and nice final performance for laboratory purposes. We have used the equipment with different application, such as compound, chocolate, crèmes and pastes.

Thank you very much for your support.

Regards.
